

Psalm Chapter 63 – Thirsty In The Morning

I'm from Sacramento, home of the hot and dry, over 100° for weeks. The mountain range between Sacramento and the Pacific Coast keeps any cool air from flowing through. The outskirts of the Valley are arid wilderness hills that roll for days. The water in that area is hard to come by and tastes like metal and rocks. You go to sleep thirsty and wake up **Thirsty In The Morning**.
