

John...

This son of Zebedee was a fisherman with a fiery temper, He was known at one of the Sons of Thunder. Jesus called him to become a fisher of men and he was ready to go and ready to get in the middle of things. Just don't cross him or he'll ask for fire to come down from heaven on you!

John's temper was going to be changed over the next 3 years that he would spend with Jesus. He would see miracles that were amazing, Jesus walking on water, even the dead being raised back to life. I was the emotional side of Jesus that sunk in deep.

As you study the Book of John, ask God to show you how you can change in great ways to follow Jesus more closely. Who knows, maybe a miracle will happen in your heart as you take up your cross and follow Christ daily.
