He's the dearest Friend I know

Life is growing rich with beauty,
toil has lost its weary strain,
Now a halo crowns each duty,
And I sing a glad refrain.

Heav'nly wisdom He provides me,
Grace to keep my spirit free;
In His own sweet way he guides me
When the path I cannot see.

O what splendor, O what glory,
O what matchless pow'r divine,
Is the Christ of Gospel story,
Christ, the Saviour, who is mine.
