Our Prodigal Family – a Tale of LOSS

Life and family history can sometimes read like the notebook of an inner-city social worker. Broken relationships, misunderstandings, pride, loss, forgiveness, and hope are not new struggles. They have been part of the human story since the beginning.

In **Luke 15**, Jesus introduces us to five unforgettable characters: a **shepherd searching** for one lost sheep, a **woman seeking** a missing coin, **a younger son rebelling**, a **father forgiving**, and an **resenting older brother**, whose heart had drifted far from grace. Together they form The Prodigal Family, revealing both the realities of our earthly families and the perfect love of our Heavenly Father.

Throughout this series, we will explore each character from both a practical and Biblical perspective. As we compare our own families with Christ's teaching, we discover that God's love is greater than our failures, His mercy is deeper than our wounds, and our Heavenly Father is always ready to welcome home every prodigal who turns to Him.
