We Believe Series basic doctrines at **CHAPEL.today**

God's Word, The Bible, is more than just a pile of perfect stories. Our current Bible matches the same verbatim words and exact facts that are found in my 10 year-old Bible, my 1813 colonial Bible, from the scrolls in the Qumran Caves and even at the time of the last of the Apostles, when John wrote the Revelation of the Lord Jesus Christ.

These words are God's Words breathed to us through the ministry of the Holy Spirit in the lives of various writers of the Old and the New Testament Scriptures. These words of science, history, poetry, truth and even love are more than just human letters on paper. These are the words of truth that will change your heart, lead you to understand Salvation and give you a daily walk of life that is full and blessed.

Hi, I'm Chaplain Aaron. Mrs. Alice and I live and serve here in the Pacific NorthWest. Come join us as we study the Scriptures and seek to understand basic Bible doctrines.
