...to my son in the faith

The Apostle Paul met a young student that was not only well trained in the Scriptures; but he thought like Paul. Timothy's dad was Greek and mom was Jewish. His mother and his grandma shared the writings from the Old Testament in the finest of Home School education. This prepared his heart for Salvation.

As the Apostle had the honor of leading this student to Christ as a Born Again Believer, Timothy would accompany the outreach team on missionary journeys near and far. He would experience multiple church start-ups, the Uproar at Ephesus and much more!

The Apostle Paul will give Timothy the highest compliment by saying that there is no one more "like-minded" than this focused student who will become a pastor to many people and churches.

It all starts with listening and learning.

Hi, I'm Chaplain Aaron. Mrs. Alice and I live and serve here in the Pacific NorthWest. Come join us as we study the Scriptures and seek to understand both Epistles of the Apostle Paul to Timothy.

Will you diligently study "that good thing which was committed unto" you?
